EMERGENCY _____

AGENDA ITEM NO(S): 1

MEETING DATE: February 2, 2012

AGENDA ITEM: A resolution authorizing the City Manager to execute the ODOT Final Legislation as presented for the completion and appointment as the LPA – Local Public Agency for the Urban Paving Project WAR-741-15.67, being the resurfacing of North Main Street from SR 73 to the north corporation limit.

SUBMITTED BY: Elmer Dudas, City Engineer

DESCRIPTION: The purpose of the proposed legislation is to authorize the City Manager to execute all appropriate documents necessary for the completion of the City's commitment for the resurfacing of North Main Street.

Approximately 2 miles of North Main Street will be resurfaced in 2012, from SR 73 to the northern city limit. The local match for the city is 20% for all resurfacing related items such as pavement grinding, asphalt surface course, and final pavement markings. The city is also responsible for 100% of the non-state share of the construction costs which include pavement repair, curb repair, traffic loops, and temporary pavement markings. Finally, the city also picks up 10% of the construction engineering on the project which brings the total city portion of the project to \$338,228.00. The total project estimate is \$1,200,000.

BUDGET: The cost of the project has been included in the 2012 budget.

BIDDING: N/A

RECOMMENDATION: Staff recommends approval.

EXHIBITS: ODOT Final Legislation, Fiscal Officer's Certificate, and Contract

SUBMITTED FOR COUNCIL CONSIDERATION: CHRISTINE A. THOMPSON, CITY MANAGER
